**KIRK A. PUTT APPOINTED NEW CEO OF
R-V INDUSTRIES, INC.**

Honey Brook, PA— The Board of Directors for R-V Industries, Inc. is pleased to announce that Kirk A. Putt, president, has now also been appointed to the position of chief executive officer. He will assume his new responsibilities immediately.

Chairman of the Board for R-V Industries, Victor D. Dodd said, “Kirk has demonstrated his ability to effectively manage the company and we are confident that he will provide the necessary leadership to lead R-V Industries into the future.”

Kirk A. Putt has a bachelor’s degree from Rollins College and a master’s degree in communication from the University of Miami. He has worked at R-V Industries for the past eleven years fulfilling the roles of marketing, sales, project management, operations manager, general manager and vice president.

Founded in 1974, R-V Industries, Inc. is a privately owned company that operates a facility in Honey Brook, PA and manufacturing plants in Morgantown and Wagontown PA, employing over 220 people company-wide. R-V Industries offers industrial design and manufacturing services in the areas of life science equipment, paper mill machinery, custom fabrication and machining, A.S.M.E. Code pressure vessels and power plant equipment.
